Sunday evening, the 22nd, at 7, there will be a townwide Thanksgiving service held at the Agawam High School auditorium. The Pastors of the churches of the town will officiate and all persons of their congregations are urged to attend.

### THANKSGIVING MUSIC

Music will prove a central portion of this service. The chorus of the Junior High School under the direction of Mrs. Wendy M. Sroka, will sing "America The Beautiful" and the Madrigal Singers of Agawam High School

under the direction of Mrs. David Wuesthoff, will sing "Onward Ye People." Members of all the church choirs of the community will join in singing the colorful Thanksgiving anthem, "Praise the Lord O Jerusalem." All members of the congregation will join in the singing of the familiar thanksgiving hymns and the national song. The Rev. Floyd Bryan will give the thanksgiving message and other church Pastors will read Biblical passages and lead in the prayers.

A Return of the Harvest  
All persons attending this service are asked to bring a token of the harvest — either fruit, vegetable or canned goods. By so doing we partake of the time honored custom of returning to the Lord an offering of the earth's bounty. These harvest offerings will be brought forward by the people during the time of the service and placed on the common table. ## Now We Understand

In our daily life, we associate with grand men and women whom we don't seem to fully appreciate until we stop to take inventory of their many accomplishments. So many of our fine citizens perform benevolent community gestures without fanfare and so persistently that they seem to be taken for granted. It is only when life's end comes to such a person that the entire community realizes the shock caused by that passing.

Such is the case in the untimely death of our "Nick" Zucco this past week. Nick was a man of many talents and he used them all prudently and willingly.

I, first met Nick when, as a building inspector, I was alerted to investigate a business conducted in the rear of a garage located in a residential zone on Suffolk St. Investigation brought me in contact with an honest man struggling to make a success in a business known as commercial packaging. He had moved from situs to situs trying to meet rent requirements and more important trying to make a profit which would allow the business to survive.

At that point, we understood and actually we believed that his personality and his character would one day write success to his plans. We were not misled because we were eventually to read a sign over perhaps our oldest business building in Agawam, the old Agawam Woolen Mill, said sign to read "Packaging Service." If we ventured inside, we would have met "Nick" Zucco, the owner, sitting at his desk.

This is all well and good as a success story pertaining to business, but this is only a small sector as it affected our community. Many of us would have used our profits to reinvest and to have built an economic shell around individual interests and now, fully secure, would have forgotten our fellow men.

"Nick's" character was such that he realized his gains were the community's gains and so he spent a great deal of his time seeking worthy spots to make contributions. He did not relegate his donations to one religion or to any one institution. If there was a worthy need, he was usually the largest singular contributor. He has left memorials to his generosity in most of our Agawam churches, in our YMCA, our Lions Club, our Senior Center, and ever so many more.

For a few, it is easy to give away some of your worldly goods, if you have an abundance, but how about your time as well. "Nick" was as generous with his time as he was with his gifts. As a candidate, he sought political office and when the tide was running in an opposite direction, he accepted appointments. As a member of the Board of Appeals, he was faithful in attendance and wise in his decisions. As a member of the "Business and Industrial Commission" he was a driving force. His packaging business gave the Board business connections ever so valuable. Through it all, he was ever optimistic without ever complaining.

Many of us close enough to him knew his talents and his attitude toward giving. For those unable to attend the funeral Mass for "Nick" last Saturday morning, let me say that Father Ahern expressed in his eulogy of our departed friend a most fitting phrase, "Nick was unhappy unless he was giving."

And finally, when the flag flew at half staff at our Administration Building on Nov. 13 and 14th, it may not have been for a National hero, but it was significant of our deepest community respect to a man among us who worked faithfully "from the bottom up" and when he had "made it", with that deep "Nick" Zucco smile, he gave a good share of it back to us. "We thank you Nick for it all."

## Postmaster Advises Mail Early

A little planning during the Thanksgiving holiday can help avoid the "Christmas Rush" Postmaster Robert R. DeForge said today.

The Agawam Postmaster has some tips which will not only put ZIP into Christmas mailing, but help local postal employees move the record-breaking mountain of mail that is expected this Christmas season.

1. Find last year's Christmas mailing list. If you don't find it, or didn't have one, make one up.

2. Check to see that all addresses are correct. The phone book is usually a good source for local addresses.

3. Whenever possible, add the ZIP Code to the addresses on the list. Because ZIP Codes speeds

your mail, always include the code for your area in return addresses. This is the best way to inform friends, relatives and business associates of the number for your area.

4. With the recent expansion of apartment buildings, Mr. De Forge said, "He cannot over emphasize the importance of apartment numbers being used."

## COMPLETE I-91 OPENS DEC. 8

The final sections of Interstate and Defense Highway 91 in Massachusetts, the three miles between State Street in Springfield and U.S. Route 5 in West Springfield, will be officially opened to traffic following ceremonies on Tuesday, December 8, State Public Works Commissioner Edward J. Ribbs announced today.

Gov. Francis W. Sargent will head a large number of Federal, State and local officials and other guests at the ceremonies to be held on the northbound roadway of I-91, just north of the State Street on-ramp. The ceremonies will begin at 11 a.m.

The new section will include the interchange with I-291, the interchange with I-391 in Chicopee, and the bridge crossing the Connecticut River between Chicopee and West Springfield.

The bridge and the section between Route 5 and Plainfield St., in Springfield has been open unofficially to local traffic, but has been closed to through traffic. The ceremonies will open the entire 55 miles of I-91 from Barnardston at the Vermont line through Longmeadow at the Connecticut line.

## SPORTSMEN'S CORNER

By BILL CHIBA

No doubt a great many residents made their annual jaunt to Vermont deer hunting last

Friday evening. The Vermont General Assembly enacted laws just recently with the rights of the landowner upper-most in their minds. The law enforcement agencies are going to be all out looking for infractions, so be careful. Following is a run-down of some of the newly enacted laws.

**TRESPASS** — A person who enters without legal authority upon enclosed private lands owned by one other than himself, his spouse, child or parent, and who refuses to leave upon the demand of the owner or his agent, or a law enforcement officer acting at the request of the owner or his agent, shall be fined not more than \$100.

Prosecutions for offenses under this section shall be commenced within 60 days following the commission of the offense, and not thereafter.

Section 3738 — Whoever, by use of a motor vehicle as defined in Section 4 of Title 23: Shall obstruct a private driveway, barway or gateway, or shall travel

over a private road which is so marked, or shall travel over other private lands, or shall enter on private lands for the purpose of camping; without permission of the owner or occupant shall be fined not more than \$100.

The above applies whether or not the land is POSTED. Persons do not have to post their land in order to have complete control of it, but in these instances, there is no penalty unless the person refuses to leave on demand. Enforcement of these laws comes under the jurisdiction of sheriffs, constables, and police officers only.

The following points fall under the wardens' jurisdiction, with automatic license revocation upon conviction.

It is unlawful to shoot at, or attempt to take, any wild animal or wild bird from a motor vehicle, motorboat, airplane, craft. (Special paraplegic provision and federal/state duck laws exceptions).

A person shall not carry or possess a loaded rifle or shotgun while in or on a vehicle propelled by mechanical power within the right or way of a public highway.

'Loaded gun' means a shell or cartridge in the chamber, mechanism or magazine in place in a rifle or shotgun.

A person while on the travelled portion of any public highway shall not take or attempt to take any wild animal by shooting with a firearm or bow and arrow.

## COACH'S CORNER... by Cliff Kibbe

Saturday, Agawam defeated West Springfield 32-6. The game was close in the first half, Agawam's only touchdown coming on a Gary Safford to Mike Drewnowski 35 yard pass. On the last play of the half Safford hit Lou Conte with a pass and Lou was tackled on the one yard line.

The third period saw Mike O'Brien tear up large gains as he ripped the West Siders' line for 57 yards in eight carries. Mike scored another TD in the third period and the scoring was closed out by a Gary Safford to Lou Conte toss covering 70 yards.

This was a real good effort for our ball club. Our entire line blocked well with Don Young, Nick Longhi, Tom Locke, Kevin Sullivan, and Bob Morin leading the charge. Both Mike Drewnowski and Lou Conte had nice pass receptions and Gary Safford was 4 for 4 in passing for the day. Mike O'Brien had his third in a row two touchdown day. Frankie Santinello and Mike Losito though not carrying much made key yardage.

Defensively the entire ball club had a good game, however, we felt that George Hill's game was

exceptional. He had his first interception and made tackles all over the field.

## Agawam Motor Lodge Now Being Renovated

Agawam Motor Lodge, landmark of hosting many visitors from all parts of the world is now under a complete renovation program. Harold Kaplan, one of the new owners of the Agawam Motor Lodge is personally supervising the costly renovation of this popular Motor Lodge.

Mr. Kaplan is the successful operator of the Westover Motel and the Westfield Motor Lodge. Adding the Agawam Motor Lodge to this group is something to be proud of. According to Mr. Kaplan, the Agawam Motor Lodge has already undergone several complete changes. A new hard-top surface has been added to both the front and rear of the Motor Lodge. Floodlights brighten the parking area and the rear and front entrances. Extensive remodeling has been completed in the interior with each room completely redecorated and accoutrements added to make each guest as comfortable as possible.

Among the many new features inaugurated are a 24-hour phone service with free coffee at any time. Under the management of Mr. George Germaine, who has had extensive experience in motel operation, the newly redecorated Agawam Motor Lodge will be a dominant part of Agawam Motels that will host visitors from far and wide, dignitaries from industry as well as families and friends.

The Lodge has already played host to the Stars and cast of Storowton Theatre, dignitaries of Eastern States Exposition, exhibitors from all parts of the country and is now the tempo-

rary home of some members of the Springfield Kings Hockey team.

During ICE CAPEDES week, it will be operating to its full capacity of 43 rooms. Plans are under way to operate its banquet facilities for meetings, parties, dances and all functions. The public is cordially invited to inspect the newly redecorated Lodge located at Suffield and Main Sts., just above the Eastern States Exposition.

## Ding Dong Ding Dong...

Ding Dong Ding Dong —

Thank God we live in a free country where our feelings and thoughts can still be expressed openly.

The other day I received a registered letter from our Board of Appeals giving their verdict in response to a public hearing held Aug. 12, 1970. This hearing was based on an alleged violation of non-conforming by-laws by Green Gables, Inc., at 395 River Rd., Agawam.

To wit: removal of a six-room apartment from second floor and installed a bar, kitchen, banquet hall and extra bathroom increasing capacity by at least another 85 patrons. This was permitted in good faith by your building inspector on the owner's heresay only and the letter from a former inspector, now deceased, based on heresay of the owner.

At the before mentioned hearing, we presented sworn documentary proof by several parties and myself, that there never was a banquet hall, a kitchen, bar or extra bathroom on second floor and that the owner had violated our non-conforming by-laws in installing same.

Two members of your Appeals Board voted in agreement with our petition but one member voted in favor of Green Gables. Thereby under our Town by-laws, rejecting our petition. (Board of appeals must have unanimous decision to effect

Main St. Those interested are welcome to attend.

The Agawam Junior Women's Club played hosts to a Federation Officer and Guest Night last Tuesday at the Captain Charles Leonard House, Agawam.

The joint meeting with The Ramapogue Junior Women's Club and the Agawam Juniors was highlighted as State officers of the Massachusetts State Federation of Women's Clubs lectured on various aspects of federation.

A barber shop quartet provided entertainment for the evening.

Mrs. Ethan A. Bradeen served as program hostess for the evening and Mrs. Donald C. La-Violette, Hospitality.

Judith Ann Chlastawa, daughter of Mr. John Chlastawa of 23 Mountainview St., Agawam has enrolled in the freshman class of Simmons College, Boston.

Miss Chlastawa is a graduate of Ursuline Academy. Judith was a member of the National Honor Society, the Glee Club, Math League, and received the National Merit Letter of Commendation, the Auxilium Latinum Medal and Certificate, the Youth Fitness Achievement Award, and the Massachusetts State Scholarship.

Hunting is a great sport but the Mass. Chiropractic Society urges those not in good physical shape to prepare for it by walking, exercising daily and taking it slow at first.

their enforcements).

The interesting part of his acceptance of Building Inspector testimony and heresay from owner was quote: "For the good of our town and neighborhood, it was an extension of the old banquet hall." This is an insult to our intelligence when you remember that this complaint was brought by your Towns people and/or neighborhood.

I must congratulate the members who voted in agreement and so stated that the complaint in so many words was a just one.

In regards to the third dissenting member, it frightens us to think that such men are given the power to decide and enforce matters important to our daily lives as taxpayers and citizens of this community.

It would take too much money to take this case to Superior Court where it must go to override the rejections of one member of your Appeals Board.

So like many sad things that are happening in our life today because of people who are afraid or just don't want to get involved, another law in our opinion has been broken by the power of one VOTE.

When we elect men to post or offices we can only pray that they are qualified in Spirit, Courage, Honesty and enough Guts to enforce rules and laws they swore to uphold.

Each man is entitled to his own opinion but two and two are four no matter how you add them up!
